

Evening Garden Club

2021 Grant Application

The EGC accepts requests until March 25, 2021. Grants are for garden projects or garden related materials and activities that benefit the Benton County community.

Selection Criteria

- Applications must be complete and submitted by the deadline
- Strong grant applications are expected to address one or more of EGC objectives:
- To promote and encourage the art of gardening and the study of horticulture
- To aid in the protection and conservation of natural resources
- To promote civic and roadside beautification
- To cooperate with other organizations interested in these objectives
- Additionally, the evaluation criteria will include the number of people reached by the project, whether it includes an educational component or youth involvement, the diversity of people involved in or benefiting from the project, and whether the project is a one-time or ongoing event.

Selection Criteria

- Funds are available to non-profit groups only. Tax Exempt Status Number/Tax ID Number is required.
- The project must benefit the Benton County Community.
- The organization must follow up with brief written documentation and pictures as to how the grant was spent in order to be considered for future grant requests.
- Grant requests cannot exceed \$500. Each year, based on the number of applications received, some of the requests may only be partially funded.
