

Minutes of the Dec 18, 2023 Board Meeting of the Evening Garden Club (EGC)

These are NON-MEETING minutes.

Per the bylaws, the meeting should have been on December 25th, but being a holiday this was rescheduled to December 18th.

At the close of the November 2023 meeting, it was agreed that the weather may be messy, driving at night (by 6 pm) is not good for many, and if no urgent agenda items, we would cancel the December Board meeting. Agreed that if there were some urgent agenda item, the Board could meet by ZOOM.

On December 18th, the membership was advised the meeting was cancelled but that “behind the scenes” activities would continue – which they have: ZOOM issues and Website updates.

Next meeting is on **January 29, 2024**.
