President's Message:

Gearing Up and Winding Down

May is bursting with activity. Between Earth Day and Memorial Day, many of us are doing spring garden clean-up, tending to gentle seedlings, contemplating garden designs with natives, and so much more. Our newsletter reflects the variety of activities locally and in the valley. So much to do, see, and plant!

The May 6th program meeting is not to be missed. Foremost is the chance to hear Club member Janet Throop's presentation on **Edible Gardens for All Seasons**. Throughout the year Janet spends much time nurturing her large and lush yard full of flowers, fruit trees, berries, and vegetables. For over thirty years she has been an active Benton County Master Gardener. She is a keen observer of the natural world and encourages all to be mindful of the earth and our impact upon it. We are in for a treat to learn how to grow edibles year-round.

After the program, there will be an important business meeting with two items of note: Voting on the slate of nominees to serve on the Board of Directors for 2024-2025 and voting on a proposed increase in membership fees.

The May meeting will conclude with our Spring Plant Exchange. We will set up round tables in the room with tarp coverings and labels indicating what type of plant goes where. **Your job before coming** is to make a postcard size description of the plant and attach it to a popsicle stick or plastic fork so we can read about it. Peruse the plants between 6:30 and 7:00 and be sure to obtain a Plant Exchange ticket.

This is our last meeting until the fall. During the summer months our Tours Committee will provide numerous chances to visit local gardens and nurseries. See the article in this newsletter for information. Additionally, the Board has arranged for several social events over the summer so we can continue to connect with one another. These events enrich the club and our sense of belonging. Do come!

Finally, I find myself preparing to hand the baton over to Nancy Haldeman on June 30th. It has been an honor to serve on the Board. I was lucky to have an incredible group of people with whom to serve and I was lifted by the kind words and actions of so many EGC members. Thank YOU for helping to make the Evening Garden Club an exceptional organization.

Book Club

Hi Garden Book Lovers,
We meet Thursdays on odd numbered months. All members are welcome.

Book: *The Botany of Desire* by Michael Pollen

Time: Thursday, **May 2**, 2024 at 2:00pm

Place: Nancy Haldeman's home
986 NW Ironwood Ave.
Corvallis, OR
Phone is 541-757-9068

Upcoming books:

July 11 - *Beautiful Madness: One Man's Journey Through Other People's Gardens* by James Dodson

Sept 5 - *The Food Explorer: The True Adventures of the Globe-Trotting Botanist Who Transformed What America Eats* by Daniel Stone

Club Activities

Good Turn Madison Ave. and 2nd St.

Our next workday will be held Sunday, **May 12th** from 10 until 2. A Trumpetvine email will be send out as a reminder for that date and it will be rescheduled if it is going to be heavy rain We welcome any amount of time you have available. Please bring gloves, personal hand weeding tools and a smile. Hope to see you there.

2024 EGC Grants Program

Committee members: Marsha Ham, Christina Clark, and Jan Gustafson

Applications Overview:

9 applications

5 community gardens and community organizations

4 schools

Funds: \$1,500 from line item in our budget, \$1,000 from the generosity of member's donations.

Recipients:

Many MG and EGC members are involved in these projects.

1. Corvallis Multicultural Literacy Center: Earth Day seed starting workshop, matching seeds with cultural background (sunflowers Ukraine, basil Thailand, chives Korea, coriander Mexico)
2. Corvallis Neighborhood Housing Services dba DevNW / Thriving Communities Program Area: Funding for compost and tools, 5 community garden sites throughout Corvallis
3. Philomath Community Services: ADA raised beds for Lupe's community garden
4. Philomath Montessori School: Garden and flower bed rejuvenation
5. Bessie Coleman Elementary, Corvallis: Butterfly and pollinator garden improvements
6. Adams Elementary School: Soil for planter boxes for the afterschool garden club
7. Boys and Girls Club: Beautification and enrichment of building entrance
8. Philomath Middle School 8th Grade Leadership class: Plant native trees and shrubs on school grounds
9. OSU Organic Growers Club: Partial funding for intern, typically not funded, but would like to contribute to this effective community farming project

Fund Raising Committee

We would like to thank everyone who participated in our silent auctions, 50/50 raffles, online sale, and continuing bottle drop. We would love to hear feedback on the activities we have had. We are looking for fresh ideas and new members for our fund raising committee. Our next meeting is at Market of Choice, May 10 at 9:30.

We also want to thank Eila Briggs for her donation of equipment which was sold for a total of \$260. The hedge trimmer remains for sale at \$20 -- a real bargain! Please contact Carrie Ottow if interested.

At the May meeting:

- A fine selection of garden books will be offered for a minimum donation of \$2 per book. Please bring cash or checks.
- Carrie will have some blue bags for the BottleDrop for anyone who needs them.
- The hedge trimmer will be available for \$20.

Homegrown National Park

<https://corvalliseninggardenclub.org/homegrown-national-park/>

The Homegrown National Park project is hosting a booth at the **Spring Garden Festival** on **Sunday, May 5** where we will give away 50 native plants (thank you Jennifer Klammer!) and talk with folks about the importance of removing invasives, eliminating pesticides and planting native plants. We are also partnering with Monarch on 4th to install a native plant garden at 520 NW 4th Street. Signe Danler will provide the landscape design. We are currently applying for grants and accepting donations to fund this demonstration garden. If EGC members know of a potential granting institution for this project, please contact Cathy Kerr at cgkerr11@icloud.com.

Our May HNP meeting will be **Wednesday, May 8**, at the **Monarch on 4th** house at **3PM**. We will have a chance to talk about the project, meet Executive Director Roslyn Burmood, and tour the facility. It's really an amazing space, so much going on to support our community, it's exciting to be a part of it! Please contact Robin Strauss at rstrauss@peak.org if you are planning to attend so we know how many to expect.

Floral Therapy

The Floral Therapy Project is happy to announce that EGC is now a DONOR PARTNER with **Trader Joe's**.

As mentioned last month, an application was submitted to formalize our 13-year relationship with TJ's. We found out mid-April that the application was approved. This means we are on their donation rotation every week to receive just-spent flowers that we can use to help residents of local assisted living communities make bouquets.

Floral Therapy also looks forward to the return of our leader, Donna Westwood, this month. She has been a guiding force for this project over the years and she was sorely missed as she explored Arizona cacti this past season.

If you're interested in joining this project, please contact Donna at ndbalumna@yahoo.com

Planning Ahead — Summer Socials

The Evening Garden Club **JUNE SOIREE** is Monday, **June 3**, from 3:00 to 5:00 p.m., hosted by the Shepherd of the Valley Lutheran Church.

Club members may not know that SVLC created a **Giving Garden** in 2009 using mostly volunteer help and, being resourceful, built raised beds using recycled highway guardrails. They now have over 30 beds, a small orchard, and a beehive. The purpose of the garden is to grow fresh vegetables and distribute them locally to people in the Corvallis area. They donate well over 1,200 pounds of food annually - lettuce, spinach, chard, zucchini, blueberries, squash, cabbage, tomatoes, and more. Volunteers include people from the community, youth and high school groups, 4-H Garden Gnomes and OSU students. In addition, Club member and church liaison **Jennifer Klammer** frequently scouts the Garden and provides the EGC Floral Therapy group with supplemental flowers and greens.

The SOIREE is a social activity to kick off the summer and a time to acknowledge the incoming Board, Committee and Project leaders. We will meet behind the Church and in the Garden. Red and white wines and water will be provided. Please bring:

- Finger food to share,
- Drink of choice (if you don't want wine or water)
- And a chair to sit on.

Please RSVP to Heather Emberson by Monday, May 27th at hveegc21@gmail.com

If you would like to help with this event, please contact Heather. Hope to see you there!

The Evening Garden Club will host a **POTLUCK**

Monday, **August 19**, from 4:00 to 8:00
At the Lion's Club Shelter in Avery Park

COME JOIN THE COMPANY OF NEW AND SEASONED GARDENERS AND ENJOY CONVERSATIONS ABOUT THIS YEAR'S EARTHY ADVENTURES!

- Please bring any kind of potluck item you want to share and serving utensil.
- Also bring your own plate, utensils, and napkin.
- EGC will provide drinks (no alcohol permitted) and dessert.

If you want to help with the organizing, please contact Nancy Mandel at rosefrog@gmail.com

Community Activities

Vegetable Garden Plant Clinic Public Seed Library

FREE informal event where you can ask your veggie garden questions and get some free seeds.

When: Saturday, **May 18**, 9:30 AM-noon

Where: Corvallis Public Library
645 NW Monroe

Corvallis Spring Garden Festival **FREE**

When: Sunday, **May 5**, 10:00 AM - 4:00 PM
Pollinator Garden dedication at 1:00 PM

Where: Arts Center Plaza
Madison Ave. (between 7th and 8th St.)

Schreiner's Gardens Bloom Season

Visit the largest iris grower in the U.S.! See details and entrance fees at <https://www.schreinersgardens.com/pages/iris-bloom-season>

When: **May 3 - 31**, 9:00 AM - 5:00 PM

Where: 3625 Quinaby Road NE
Salem, Oregon

The Food Garden Organic Gardening Classes

Class is **FREE**, but pre-registration is required. See flyer below for more information.

When: Saturday, **May 4**, 10:00 - noon

Where: Lebanon Senior Center
80 Tangent St.
Lebanon, Oregon

Growing Oregon Gardeners: Level Up Series

This year's **FREE** online series is aimed at helping gardeners take a bite out of hunger. Classes are the 2nd Tuesday of the month at noon. See the details of each program and register for the event at <https://extension.oregonstate.edu/mg/growing-oregon-gardeners-level-series-2024>. Events will also be recorded and will be available on their web site about 2 weeks after they are completed.

Jun 24		

EGC May Member Program

Evening Garden Club LAST program on Monday, May 6

Did you know that vegetables like beets, carrots, and chard prefer the cooler temperatures of early spring. Summer is the height of the growing season for tomatoes, cucumbers, and peppers. Mid- to late- summer is the time to plant fall-harvested vegetables like Brussels sprouts and pumpkins.

Want to know more? Join us for **"Edible Gardens for All Seasons"**.

For over thirty years **Janet Throop** has been an active Benton County Master Gardener. With a wealth of experience and a passion for sustainable gardening, she has been teaching gardeners how to get the most out of their vegetable gardens for years. We are so lucky she is also a member of EGC! Get ideas for creating a veggie garden that will produce fresh vegetables for many months of the year.

Remember to bring a potted plant with identification to share. Deliver plants at 6:30 and eyeball the options. Buy your 50/50 Raffle ticket before the program begins at 7:00. After the program, participate in a short member meeting (vote on the new board and on dues increase). After that, the Raffle winner will be identified, and the Plant Exchange will begin. **Guests are welcome with a \$5 fee.**

2024 Tour Schedule

Date	Time	Name	
*** May 4	9-3	Master Gardener Plant sale	Benton County Fairgrounds
*** May 4 and 5	9-4	Spring Garden Faire	Clackamas County Fairgrounds
			694 NE 4th St Canby, OR
			\$7 one day, \$12 both days
			https://springgardenfair.org/
*** May 5	10-4	Corvallis Spring Garden Fest	Central Park

			2 or more gardens. Carpool 4:45
*** Sept 7	open hours	Sebright Gardens	Salem Hardy Plant Soc. sale, several nurseries

*** Indicates an "On Your Own" event. Not an official EGC tour

Garden Tour Etiquette

All of us really enjoy the annual EGC garden tours. We appreciate our tour hosts and would like to remind members of a few items of courtesy.

- Please only come to visit or tour on the date and time listed, unless specifically noted otherwise.
- Our hosts work hard to make sure their garden is in the top condition for our tours, which is a lot of work. Please do not contact host to arrange a visit on a different date.
- We may schedule some last minute "pop-up" tours. These will still have a scheduled day and time. Pop-up does not mean pop-in.
- Please stay on designated paths.
- Don't do spontaneous weeding or deadheading — it can be taken by the host as a veiled criticism.
- Feel free to ask anything about the garden and the plants in it. Just "What's that?" or "Tell me about that plant" are welcome openings for the gardener to expound.

All official carpooling will meet at the Lutheran Church parking lot on the corner of Highland and Walnut. Carpooling MAY be available, please be prepared to drive.

Member Meeting Minutes

April , 2024 7:00

The meeting started at 7 pm as an in-person only meeting with Heather Emberson presiding. The meeting was attended by 54 people.

For our program we had a panel of four experts on landscape design. They were Al Shay, an instructor in the OSU Horticultural department, Owen Dell of Owen Dell and Associates LLC, Signe Danler, an instructor with OSU Extension, and Jeff Cope, co-owner of Home Grown Gardens Nursery - Landscape. Each one of them told a fascinating history of how they came to be doing landscape design in Corvallis. They then answered landscaping questions that Ruby Moon had previously collected from the members.

In the business portion of the meeting, we approved the March minutes and accepted the March treasurer's report. Sheryl Thorburn was elected to fill through June 30 the vacant Member-at-Large position. The club approved a motion distributing a total of \$2500 in grants to nine organizations. Because of increasing costs, the EGC board feels a dues increase is needed. This will be proposed and voted on at the May meeting and if passed will be implemented this fall for the 2025 dues. We will also have officer elections at the May meeting.

The committee doing fundraising for the Grants Fund has been active. Blue bags were distributed so that proceeds from bottle returns can go to the Grants Fund, and they held our second silent auction. The winner of the 50/50 raffle donated the \$24.50 they won to the Grants Fund.

The meeting ended at 8:30.
